Although no heavy weapons were seen in the kaserne area, tank ruts were
observed. In addition to the mentioned motor vehicles, numerous motor
vehicles [redacted] several trucks
[redacted] were
observed.

25X1 [redacted] Comment:

25X1 a. The report confirms previous information on the same COTTBUS
kasernes as of early November 1949. [redacted]

25X1 [redacted] again confirms the 71st Mecz Regt (Cadre) of the 9th
Mecz Div (Cadre) (confirmed in COTTBUS [redacted] up to 20 Decem-
ber 1949).

25X1 b. It is considered credible that the units, most of which had returned
to their winter quarters in late October 1949, may hold their winter
exercises near the military post or, alternately, at training grounds.
Similar information was obtained from the billeting area of the 1st Mecz
Div.

c. The officers identified in the Hermann Loens Kaserne are unknown.
